### SUGAR REHAB

**Sugar Rehab** Because Sugar is Poison  
**WHAT IT IS:** • A natural supplement to support patients who are addicted to sugar and other carbs  
**WHY YOU NEED IT:** • Important for patients with troublesome sugar cravings • Targets patients with overall carb cravings, too • Good for patients trying to lose weight or maintain a healthy weight • All natural, well tolerated • Non-habit forming  
**HOW IT HELPS:** Sugar Rehab is blend of carefully selected herbs and vitamins that have been formulated to support patients trying to give up carbs and sugar. Studies have repeatedly demonstrated that sugar is one of the World's most addictive substances. Doctors know that it is easier to get someone off of heroin than have them quit sugar. Carb cravings can be intense and unrelenting. Sugar Rehab was created to support balanced brain chemistry necessary to resist the intense draw of sweets, treats and savory carbs. Each...

## LEPTINEX

Leptinex  
Stop struggling to lose weight

### WHAT IT IS:

- A proprietary blend of natural plant extracts shown to support a healthy weight, as well as normal leptin, cholesterol, and blood sugar levels.

### WHY YOU NEED IT:

- Targets patients who struggle to lose weight
- Addresses patients with high leptin levels
- Important for patients with strong food cravings
- Stimulant-free, vegetarian formula
- Bonus: supports healthy cholesterol and blood sugar

### HOW IT HELPS:

While you may have never heard of the leptin hormone before your last blood test, scientists have been trying to figure out how to control this fat-building hormone since 1994.

Leptin is a hormone made by your fat cells to keep you fat. It works by slowing down your metabolism, increasing your appetite, and causing a depressed state that its best cured with food.

Why would your body do this to you?

For...
