WHAT IT IS:

- An all-natural formula to support patients concerned with brain function, detoxification, energy, and joint health.

WHY YOU NEED IT:

- Important for patients with elevated toxic loads, including homocysteine
- Good for detoxification support in patients (“poor methylators”)
- Supports patients wanting a healthy mood
- Targets patients with arthritic joint pain
- Addresses patients looking for more energy

HOW IT HELPS:

The body uses many different paths to detoxify the cellular trash that results from routine metabolism. We also get loaded up from environmental toxins that need to be removed from our bodies in order for us to maintain optimal health.

One of the most important detoxification pathways is a process known as methylation. During methylation, the body will attach a molecular “handle” (called a methyl group) that...

Dysbiotic
WHAT IT IS:

Natural antibiotic that targets intestinal pathogens

WHY YOU NEED IT:

Important for patients with *Helicobacter pylori*, *Candida*, and other intestinal infections

When taken with each meal, address concerns of Traveler's Diarrhea and stomach upset

HOW IT HELPS:

Dysbiotic is a natural blend of powerful plant extracts that is designed to support normal healthy intestinal bacterial flora.

The food we eat and the serving ware we use to eat our food are not sterile. For the most part! the bacteria that we inadvertently swallow with our food are either killed by the digestive process or by the 10 trillion healthy bacteria that co-habitate our intestinal tract.

However, on occasion, "bad" bacteria, yeast or parasites can set up colonies in our gut and cause a variety of uncomfortable symptoms (and sometimes dangerous infections), including excessive gas, bloating, pain...

WHY YOU NEED IT:

- Promotes optimal colon health for patients with chronic constipation and parasites
- Supports a thorough colon cleansing
- Important for patients needing more aggressive colon regularity
- Time-tested formula

HOW IT HELPS:

A healthy colon is essential for optimal wellness, and for most of us, our colons are far from healthy. Having only a couple of bowel movements a week is not acceptable and creates toxicity that is not compatible with reliably good health.

Many patients are surprised to learn that even one bowel movement daily is not enough. The foundation for a healthy, happy colon (and a healthy, happy you) begins with two to three bowel movements daily, but that is only the first step.

WHY YOU NEED IT:

- Unique formula for patients wanting to detox heart and lung tissues
- Important for patients trying to alkalinize body pH

HOW IT HELPS:

After your brain, your heart and lungs are your second and third most important organs, respectively. Like all of your other organs and tissues, your heart and lungs need to be regularly cleansed, too. Most people are familiar with kidney, liver and colon cleansing but are not sure how to clean the heart and liver tissue.

- Supports patients with kidney-related symptoms (Take quiz printed below)

HOW IT HELPS:

The Chinese refer to the kidneys as the “Master Organ” because they regulate the usage, levels, pressure, and location of all of the body’s vital fluids. These fluids are used to transport waste from the body’s organs to the kidneys for processing, treatment and then excretion in the urine.

Your body also has to rid itself of gases, acids, oils, resins and all-matters of toxic sludge that we ingest, inhale and absorb. When the kidneys are toxic and overloaded, these waste products cannot be fully flushed from the body, and then must be stored in the...

WHAT IT IS:

- Natural zinc complex

WHY YOU NEED IT:

- Relieves the symptoms of upset stomach, bloating, indigestion, nausea, heartburn, diarrhea, belching, and burping
- Important for patients looking to protect and soothe irritated stomach and intestinal tissues
- Works like an internal “Band-Aid”

The human stomach is constantly under assault from bad food, bad medicines, and bad bacteria. These enemies of good intestinal health affect up to 40% of Americans daily.

Many of the prescription and over-the-counter treatments for stomach upset do not treat the cause of the problem but rather treat the symptoms. By not addressing the cause, these drugs create an imbalance which leads to unwanted side effects.

G.I. GEMS supports patients who want to treat the cause of many intestinal symptoms.

- Natural fiber that supports healthy cholesterol

WHY YOU NEED IT:

- Important for patients with high cholesterol
- Targets patients with hormone-related hair loss in men and women
- Great for patients with symptoms of an enlarged prostate
- Good for patients looking for a powerful Immune booster

HOW IT HELPS:

LipoSure is a natural supplement that contains a natural fiber, beta-sitosterol, that is found in fruits and vegetables. Clinical research has proven that medicinal doses of beta-sitosterol support healthy cholesterol levels without the side effects of prescription medications such as the "statin" drugs.

Blood cholesterol comes from two sources: cholesterol that which is made in the body (liver) and cholesterol that is in the food we eat. To lower blood cholesterol levels, you either need to reduce production of cholesterol by the liver...

EASY-DOES-IT

Taking 'Easy' to the Next Level

WHAT IT IS:

- Supports patients with insomnia, weight loss, stress, depression, fibromyalgia
- Important for patients needing to boost serotonin, the "feel good" hormone
- Natural, non-habit forming

WHY YOU NEED IT:

Easy-Does-It is made from an extract of the African seed pod of Griffonia and contains 5-HTP (5-hydroxytryptophan). Our bodies can turn 5-HTP into serotonin which is known as the "feel good " hormone because it is one of three key hormones that help us feel happy, satisfied, full, sleepy, and peaceful.

Lately, the whole world seems to have a deficiency of this hormone.

Some people are just born with a natural deficiency of this hormone and others may "run out" of serotonin due to stress and burn out. Easy-Does-It targets patients needing to restore a normal level of serotonin in the body and support...

UROCIL

Treats Urinary Tract Infections

- Dysfunction bladders
- Coats inner lining

Urocil contains mannose, a non-caloric sugar from pineapple and cranberries, that coats both the inner lining of the bladder and harmful bacteria that get into the bladder. When both the bladder lining and harmful bacteria are coated with mannose, the bacteria cannot stick to the walls of the bladder and cause infection. Instead, the harmful bacteria float harmlessly in the urine and are voided with urination.

Urocil is an important supplement for women who get urinary tract infections after sexual intercourse, male and female patients with frequent urinary tract infections, or patients with dysfunctional bladders that are at high risk for bladder infections.

WHAT IT IS:

- All-natural support for constipation

WHY YOU NEED IT:

- Important for patients with difficulty having regular, daily bowel movements
- Great for patients who want reliable, natural support for healthy bowels

HOW IT HELPS:

Aloe Vera has long been recognized for its importance in traditional herbal medicine. Many of aloe's enhancing benefits come from the soothing gel that can easily be expressed from the cut edges of a fresh aloe leaf.

Also important is the latex membrane that holds the gel inside the aloe leaf. This natural membrane has long been prescribed as an herbal laxative because it both stimulates the intestines and encourages more water to enter the intestines.

AloeLax is a natural, concentrated herbal capsule. Most patients expect to pass a stool within ten hours of taking AloeLax.

LIPOIC CR

LIPOIC CR

- Important for patients needing protection from hardening of the arteries
- Provide blood levels lasting 3x longer than other brands
- Great for patients looking for all-day support
- Supports patients with neuropathy
- Good for patients wanting to maintain healthy blood sugar levels

Having been identified more than 50 years ago, alpha lipoic acid has long been appreciated for its potent anti-oxidant effects and supports patients wanting to protect the vulnerable tissues of the brain, nerves, heart, and arteries.

The aging process begins with the oxidation of vital tissues such as those of the nerves, brain, and circulatory systems.

Alpha lipoic acid supplements target patients with elevated blood sugar levels and support patients wanting to maintain a healthy blood sugar profile.

Alpha lipoic acid also supports patients with other causes of...

BONE

BONE

Takes Bone to Make Bone

WHAT IT IS:

- Superior calcium supplement
- Contains every ingredient to support healthy bones

WHY YOU NEED IT:

- Important for patients who want to rebuild weak bones
- Supports patients looking to maintain healthy bones
- Provides important calcium to your body

Calcium is one of the body's most important minerals and is best known for keeping the bones and teeth in good health. The average American diet contains less than half the amount of calcium needed for healthy bodies.

Everyone needs calcium every day, and what the body does not get from the diet, it will steal from your bones. This can cause thinning of the bones, also known as osteoporosis. Taking the right kind of calcium supplement in the right amounts can keep your bones healthy or rebuild bone that has been lost.

HOW IT HEALS:

It is hard for the body to absorb calcium...
