BLOOD SUGAR CONTROL

SHUGALO

ShugaLoSupport for Healthy Blood Sugar and MetabolismWHAT IT IS:• A natural, synergistic formula to maintain balanced blood sugar levelsWHY YOU NEED IT:• Important for patients with Diabetes, Insulin Resistance, and Elevated blood sugar levels• Good for patients trying to lose weight, build muscle• Targets patients who want a natural solution to blood sugar regulation• Components have been clinically tested• Non-drug, well toleratedHOW IT HELPS:High blood sugar and elevated insulin levels are two of the fastest growing health problems in America. Over time, even slightly elevated blood sugar can rot out the body, just like sugar can rot your teeth.More than 60% of every health care dollar spent annually in the United States is on Diabetes related illnesses.High blood sugar is so dangerous that expert panels continue to lower the 'normal' blood sugar levels. In recent years,...

CORE SUPPLEMENT

DR. HIRT'S FRIENDLIES

Dr. Hirt's
Friendlies
What's it like to have one trillion friends?

WHAT IT IS:

The most powerful, cost-effective probiotic ever created

WHY YOU NEED IT:

Replenishes healthy gut bacteria
Important for patients on antibiotic therapy
Good for patients with Irritable Bowel Syndrome and colitis
Targets patients with gas, bloating, cramps, and constipation
Addresses issues with food allergies and parasites

HOW IT HELPS:

The human colon is supposed to be loaded with more than six pounds of healthy bacteria at all times. These friendly soldiers work with your intestinal system to keep out the bad bugs and parasites that are known to create all kinds of tummy trouble.

However, through prescription antibiotics and the antibiotics that are put into our food supply, the healthy intestinal bacteria are also under attack. Over time, the numbers of these...

HORMONE SUPPORT

PREGNENOLONE 10MG

PREGNENOLONE

The #1 Adrenal Hormone

- ☐ Supports patients with Adrenal Fatigue and stress
- ☐ The most abundant hormone produced by the adrenal glands
- ☐ Important for patients wanting sharper focus and brain attention

Pregnenolone is a hormone produced by the adrenal glands. With prolonged stress exposure, the adrenal gland capacity to manufacture this important hormone diminishes over time. Pregnenolone helps the body respond appropriately to stress and is also a very important hormone for optimal brain function and activity.

The body also uses pregnenolone as a chemical base to make other important hormones such as estrogen, testosterone, progesterone, and DHEA.

Additionally, as we age, our adrenal glands make less and less pregnenolone as our hormone manufacturing capacity declines.

This loss can be accelerated in the face of unremitting physical or psychological...
