BLOOD SUGAR CONTROL

SUPER Q

Super Q

WHAT IT IS: • A maximally absorbed, powerful anti-oxidant and anti-aging vitamin therapy

WHY YOU NEED IT: • Important anti-aging vitamin support • Great for patients looking to reduce blood pressure and blood sugar • Targets patients with migraines, fatigue, Parkinson's, breast cancer • Active for patients with Congestive Heart Failure • Good for patients taking statin cholesterol lowering medications

HOW IT WORKS: CoEnzyme Q10 (CoQ10) is a necessary vitamin made in the body and found in foods such as meat, seafood and soy. CoQ10 acts as an anti-oxidant and also is necessary for normal organ functioning including the heart, brain, nervous system, arteries, and gums.

As a powerful anti-oxidant, CoQ10 helps to block oxidative damage to the blood vessels, heart, kidneys, and brain. Blood levels of CoQ10 build to their highest levels in the first 20 years of life and then start to...

AVENUE CHOCOLATE MEAL

The AVENUE Shake
Tastes great, Good for you

WHAT IT IS:

- An all natural, low-carb protein shake

WHY YOU NEED IT:

- Good for patients needing a low-carb, low-fat snack or meal replacement
- Gluten free, Soy Free, Dairy Free, and Sugar Free
- Important for patients wanting to control hunger naturally
- Targets patients looking to sustain healthy energy
- Minimal blood sugar impact: Diabetic safe
- No added chemicals, non-GMO
- Rich in fiber and more protein than two hard boiled eggs
- Excellent source of healthy fats
- Many flavors, so you are never bored
- Perfect for patients on The AVENUE Diet

HOW IT HELPS:

It is hard to find the perfect protein shake. Most shakes are out of nutritional balance: too many carbs, too many calories, too many 'bad' fats, or too many chemicals.

The AVENUE Shakes are the healthiest protein shakes available, and contain...

FILL 'ER UP

FILL 'ER UP

A Modern Twist on an Ancient Root

WHAT IT IS:

- A medical-grade fiber supplement for health and wellness

WHY YOU NEED IT:

- Important for patients trying to lose weight
- Supports patients wanting to control satiety - the feeling of fullness when eating
- Good for patients with Diabetes and Insulin Resistance
- Targets patients with high cholesterol
- Great for patients with Irritable Bowel Syndrome
- Nourishes the good gut bacteria

HOW IT HELPS:

Soluble fiber is naturally found in a healthy, balanced diet. By using medicinal doses of soluble fiber, patients can experience benefits in addition to those of regular exercise and a good diet.

There are many fiber supplements to choose from, but most of them don't really work to visibly change your health, inside and out.

The health effects of konjac root (a traditional source of soluble fiber) are...

SHUGALO

ShugaLoSupport for Healthy Blood Sugar and MetabolismWHAT IT IS:• A natural, synergistic formula to maintain balanced blood sugar levelsWHY YOU NEED IT:• Important for patients with Diabetes, Insulin Resistance, and Elevated blood sugar levels• Good for patients trying to lose weight, build muscle• Targets patients who want a natural solution to blood sugar regulation• Components have been clinically tested• Non-drug, well toleratedHOW IT HELPS:High blood sugar and elevated insulin levels are two of the fastest growing health problems in America. Over time, even slightly elevated blood sugar can rot out the body, just like sugar can rot your teeth.More than 60% of every health care dollar spent annually in the United States is on Diabetes related illnesses.High blood sugar is so dangerous that expert panels continue to lower the 'normal' blood sugar levels. In recent years,...

SUGAR REHAB

Sugar Rehab Because Sugar is Poison
WHAT IT IS: • A natural supplement to support patients who are addicted to sugar and other carbs
WHY YOU NEED IT: • Important for patients with troublesome sugar cravings • Targets patients with overall carb cravings, too • Good for patients trying to lose weight or maintain a healthy weight • All natural, well tolerated • Non-habit forming
HOW IT HELPS: Sugar Rehab is blend of carefully selected herbs and vitamins that have been formulated to support patients trying to give up carbs and sugar. Studies have repeatedly demonstrated that sugar is one of the World's most addictive substances. Doctors know that it is easier to get someone off of heroin than have them quit sugar. Carb cravings can be intense and unrelenting. Sugar Rehab was created to support balanced brain chemistry necessary to resist the intense draw of sweets, treats and savory carbs. Each...

CRUNCH TIME

CRUNCH TIME
The "One Pill" Wonder

WHAT IT IS:

- An all-natural herbal extract from Cameroon in Africa

WHY YOU NEED IT:

- Important for patients trying to lose weight
- Good for patients with high cholesterol
- Targets patients with high blood sugar or insulin levels
- Supports patients with high blood pressure
- Clinically studied by medical scientists
- Research studies demonstrate no significant side effects

HOW IT HELPS:

'Crunch Time' contains a clinically tested fruit extract of an African herb that has been successfully used in traditional herbal medicine for millennia.

In an 8-week clinical study, the herbs in 'Crunch Time' were found to support patients wanting to:

- Reduce weight by more than 22 pounds,
- Shrink waists by five inches,
- Take four inches off the hips,
- Drop body fat by nearly five percent,
- Lower blood...

NITROBANG

NITROBANG

Blastoff to Better Health

- ☐ Supports patients wanting to reduce vascular complications of diabetes
- ☐ Great for patients looking to improve lung function
- ☐ Targets patients looking to boost blood vessel circulation
- ☐ Important for patients wanting to improve mood, mind and memory
- ☐ Good for men needing a natural ED solution

NitroBang is formula that is clinically proven to boost blood levels of Nitric Oxide. Nobel-Prize winning research has recently demonstrated the importance of Nitric Oxide in maximizing male erections (like a natural Viagra), improving heart and blood vessel circulation, brain oxygen delivery and improving athletic performance and muscle tone.

The ingredients in NitroBang also support patients looking for a natural path to improved mood, mind, and memory.

Nitric Oxide helps inflamed and damaged intestinal tissue to heal in diseases...

BLESSED THISTLE

BLESSED THISTLE Helps Liver Detoxify Blood
WHAT IT IS: • Herbal therapy for liver health and support
WHY YOU NEED IT: • Important for patients needing assistance with liver protection and detoxification • Supports patients with high cholesterol, elevated insulin, high blood sugar • Great for patients with prostate health concerns • All-natural, well tolerated
HOW IT HELPS: Blessed thistle is the common name for the herb *Silybum marianum*, long appreciated through the centuries by medicine men for its tonic health benefits. And now modern herbalists know why. Blessed Thistle helps the liver detoxify the blood and regenerate itself when injured by the foods, drugs, and chemicals we ingest or inhale. It also has been shown to support patients wanting lower blood cholesterol, blood sugar, and insulin levels without the typical side effects of prescription medications. Blessed Thistle can be used by...

LIPOIC CR

LIPOIC CR

- Important for patients needing protection from hardening of the arteries
- Provide blood levels lasting 3x longer than other brands
- Great for patients looking for all-day support
- Supports patients with neuropathy
- Good for patients wanting to maintain healthy blood sugar levels

Having been identified more than 50 years ago, alpha lipoic acid has long been appreciated for its potent anti-oxidant effects and supports patients wanting to protect the vulnerable tissues of the brain, nerves, heart, and arteries.

The aging process begins with the oxidation of vital tissues such as those of the nerves, brain, and circulatory systems.

Alpha lipoic acid supplements target patients with elevated blood sugar levels and support patients wanting to maintain a healthy blood sugar profile.

Alpha lipoic acid also supports patients with other causes of...
