SHROOMS

WHAT IT IS:

A full-spectrum blend of eight medicinal mushrooms for optimal health

WHY YOU NEED IT:

Supports a healthy immune response
Impressive antimicrobial properties
Protects cells from harmful toxins
Promotes brain function
Supports detoxification and liver

HOW IT HELPS:

Medicinal mushrooms have been used by traditional healers for millennia because these natural medicines possess truly remarkable properties. Scientists have been researching the effectiveness of our 'Shrooms' for decades and have discovered some of the most important constituents that make mushrooms so critical for human health and healing. Each capsule of 'Shrooms' is packed with the power and promise of these amazing fungi.

With 'Shrooms', you are getting full-spectrum concentrates, not the simple extractions found in most other brands. Lesser brands also pack their capsules with inactive mushroom...

A master antioxidant for global detoxification, immune support, and health promotion

WHY YOU NEED IT:

Important for patients needing enhanced detoxification support
Great for patients looking for effective immune boosting supplementation
Targets patients fighting chronic infections
Good for patients with reduced or compromised immune functioning
Provides potent antioxidant support
Augments natural therapies that promote healthy blood pressure and erections
Clinically proven to boost natural glutathione levels

HOW IT HELPS:

We all live in a toxic soup of city living, made worse by many of our 'unfortunate' dietary choices, poor sleep, and relentless stress. Of course, we are born with some basic detoxification capacities that serve to protect us from many toxic and stressful exposures. But we certainly were not designed to adroitly handle the millions of toxic chemicals...

LYME & CO-INFECTION NOSODE

Lyme Nosode

WHAT IT IS:

- A homeopathic supplement to support patients with Lyme disease

WHY YOU NEED IT:

- Wakes the immune system to support patients fighting Lyme disease and related infections
- All natural, no side effects

HOW IT WORKS:

Many patients with Lyme disease suffer with the infection for years. Part of the reason infections can become chronic is that the bugs have a neat trick: they partially disable the immune system. In doing so, the Lyme spirochetes can confuse and disarm your immune system, allowing the infection to linger.

The Lyme bugs do not want to kill you, just to feed off your energy grid. Taking the Lyme Nosode has the effect of waking up the immune system, turning the tide of the disease in the patients' favor. This potent homeopathic was created by literally dragging a blanket along the forest floor to collect hundreds of different ticks. These...

- Professional grade extracts of elderberry and raspberry

WHY YOU NEED IT:

- Important for patients with cold and flu symptoms
- Targets all types of cough
- All natural, great tasting
- Kid-friendly

HOW IT HELPS:

The elder tree has long been cherished for its many gifts to humankind. Native Americans crafted both arrows and musical flutes from elder branches. During the Middle Ages, Europeans believed that an elder tree planted outside the home brought good luck and protection, and that is why there is still an elder tree on the grounds of the Westminster Abbey. As far back as the 5th century, herbalists have used elderberries for their medicinal benefits including the relief of cold and flu symptoms such as cough, congestion, fever, sore throat, and headache. Today's scientists have clinically confirmed...

- Immune booster during cold and flu season
- Great for patients looking for relaxation support
- Good for patients wanting whiter teeth
- Deodorizes stool and intestinal gas

HOW IT HELPS:

Have you ever wondered how bacteria and other 'bugs' stick to your insides and cause an infection? Infectious disease bugs secrete a sticky substance known as a biofilm which can adhere to just about anything, including your teeth.

The tartar and plaque on your teeth are biofilms that allow bacteria to hold on long enough to your enamel to create cavities.

Under a microscope, the biofilm looks like a net-like cocoon that has tiny portals that allow the bacteria access to food...

ImmunoStat contains high potency beta glucan, a complex carbohydrate that studies have shown can powerfully stimulate the immune system. By working with your immune system, ImmunoStat can help your body kill cancer cells, bacteria, viruses, and fungi.

Clinical research has shown that the ingredients in ImmunoStat significantly help patients fight disease ranging from infections (the common cold, flu, and post-operative infections) to cancer. Immunostat boosts immune system functioning by making each immune cell more powerful and by increasing the total number of immune cells your body can make; the more immune cell soldiers in the fight, the better your chances for beating infections and cancer.

Most marketplace beta glucan supplements are...
