INFLAMMATION

SENEX

Neutralizing 'Zombies' and Respiratory Viruses
WHAT IT IS:

A proprietary blend of vitamins and herbs, including an 'uber' absorbable, maximal strength, anti-zombie cell, anti-viral form of Quercetin

WHY YOU NEED IT:

Important for patients with respiratory, common-cold viruses and COVID
Great for patients with seasonal and chronic allergies
Good for patients with nasal congestion, lung congestion, itchy eyes, sneezing
Important for patients looking to improve athletic performance and recovery
Targets patients wanting anti-aging support to counteract pro-inflammatory, senescent, 'zombie' cells which increase the risk of disease and degeneration
Good for patients struggling with chronic fatigue and poor sleep quality
Great for patients with allergic eye symptoms and eye infections of the conjunctiva and cornea

HOW IT HELPS:Senex is a best-in-class, proprietary blend of vitamins and herbs that...
